#### **Dear Students and Parents:**

#### ***Let Summer Begin!!!***

I hope everyone is ready for a Fun and Exciting summer. First, we will start off this month with a New Class for Ladies only. These classes will be every Saturday, starting on Saturday June 3<sup>rd</sup>. They will be from 10 am to 11 am. Please help spread the word to help Bu Sa Bum Nim fill these classes.

We will not be traveling to Anderson this year for the state Black Belt practice test, since it is during the Florence Graduations. After talking with JDKN Dan, we felt it best to do the test here instead. We will be having our test from 5 pm to 8 pm on Saturday June 3<sup>rd</sup>. This is for anyone that is planning to test in front of Kuk Sa Nim on June 28<sup>th</sup>. It is mandatory for any student in Black belt test cycle. This test will cover every Technique and every Hyung in your curriculum. This will give you three weeks to fine tune any areas that you are having problems with.

Summer is the time of year that Kuk Sa Nim comes for his annual Seminar and to test students that are in their Black belt test cycle or wants to get into the test cycle. This summer he will be here on Wednesday, June 28<sup>th</sup>. The Lake City Do Jang will be hosting both Testing and the Seminar this year. We will have Testing from 11:00 am to 1:00 pm and seminar from 2:00 pm to 5:00 pm. The cost of the Seminar is \$50 per student. The address for the Lake City Do Jang is:

416 West Main Street  
Lake City SC. 29560

We need all students from both Do Jangs to participate in this Seminar, as Kuk Sa Nim continues to modify the Seminar schedule to go to areas that have 50 or more students. He has already cut us to every other year, and I really don't want to lose the Seminar in this area, and have to travel to Anderson every year. The Registration forms for the Seminar are available at both Do Jangs.

I'm look at starting a once a month class to focus on a specific group of Techniques or Weapons. This class would be on a Friday or Saturday afternoon from 5:30 to 7:00. It will not be the same week each month. There will be a \$10.00 charge for this class, payable before the class begins. If this is something that you would be interested in doing, please let me know. Also let me know what Techniques that you would like to work on.

You should always make sure to show your Kuk Sool Won spirit by coming out to all tests if at all possible. Even if you are not testing, you should always support and cheer on your classmates. Respect is earned, not demanded. Always respect each other. This is **Good Etiquette (Yea Eue)**.
