

# KUK SOOL WON of LAKE CITY

June 2017 upcoming events.

As the school year comes to the end we would like to remind all students and parents that we will be open during the summer. We would also like to congratulate all students who tested last month on a job well done. We all know there are things that we can improve on before next testing.

There is a few big events coming up this month. BSBN Amber will be starting her Ladies only class on Thursday June 1<sup>st</sup> from 6-7pm. Class will be every Thursday at that time. She will also be having Ladies only classes at the Florence School every Saturday from 10-11am starting on June 3<sup>rd</sup>. This is a great opportunity to help us grow as a school.

We will also be hosting the 2017 KUK SOOL WON Pee Dee Seminar and Black Belt testing at our school on June 28<sup>th</sup>. Testing will begin at 11am and Seminar will begin at 2pm. Please come support BSBN Amber and JKN Martin and the other students from the Florence school as BSBN Amber completes her Final test before promotion to 4<sup>th</sup> degree black belt. Seminar Fee is \$50.00 per student and due at the day of Seminar. We will be passing out Seminar Registration forms in the next few weeks. Please don't miss this great experience with KUK SA NIM and Headquarters masters and their teachings.

We will also be having a school clean up on June 27th following class in preparation for Kuk Sa Nim's Arrival.
